

QGESTO.COM

*The heart of the home is in the kitchen...
so is the heart of the garden!*

Outdoor kitchen is a unique kind of experience coming from the combination of nature and entertainment. Turn your free time into experiences you can never get enough of. **Whatever the weather or season** — create a new gathering place for family and friends. QGesto is outdoor recreation and fun in a pioneering style.

A garden kitchen is a solution for those who need more than a simple barbecue grill set up on a terrace. This is an unprecedented comfort of spending time in your own backyard. **Modern technology, unique style, luxurious materials** are all part of the character of the prestigious QGesto kitchen. Your dream kitchen.

NO MORE WORRYING ABOUT THE WEATHER

— with QGesto you can barbecue all year round regardless of weather conditions.

NO MORE RUNNING HOME

for dishes, cutlery, to get drinks from the fridge or to wash your hands.

NO MORE SITTING IN A STUFFY KITCHEN

and airing it out endlessly. Starting cooking in harmony with nature today.

NO MORE TAKING OUT THE BARBECUE GRILL

every time you feel like cooking up something in your garden.

NO MORE FIRING UP THE BARBECUE GRILL THAT TAKES AGES

— you'll be firing up the barbecue grill in no time when you use the gas.

*Barbecue freely
any time of the year!*

*Perfect for the gardens,
hotels or restaurants.*

With the QGesto garden kitchen, you have **everything at your fingertips** — chilled drinks, delicious homemade food, a convenient sink and all the accessories you need. Plus a match on a big screen, a console game, your favourite music.

After the meeting, all you have to do is clean up quickly, close the kitchen with the **remote control... and that's it!** You do not have to drag it to the garage, nor do you have to cover it with anything. It will wait intact for your next special event. Do not waste time on unnecessary activities. Dedicate it to your loved ones.

1

GATE

It is a safety feature for your kitchen when you are not using it. At the same time it serves as a canopy when barbecuing in minute precipitation conditions.

2

ACTUATORS

Powerful actuators let you automatically open and close the gate with the remote control.

3

RGB + WHITE LED LIGHTING

Multicolor waterproof led backlight controlled with the remote control. Adding character to your kitchen, and perfecting any event.

4

MULTIMEDIA ZONE (preparing the place)*

Space for connecting your TV, audio equipment or consoles. Specially prepared antenna and internet connectors.

5

SPEAKERS ZONE (preparing the place)*

6

STONE COUNTERTOP

Elegant top made of coarse quartz. An element of your kitchen that emphasizes high quality and consistency with nature.

7

GAS BURNER

A burner designed for classic cooking with pots, saucepans or frying pans.

8

STAINLESS STEEL GAS BARBECUE GRILL

In addition to the grilling function, the unit has an additional infrared burner with a large grate for grilled chickens or venison.

9

STAINLESS STEEL CABINETS

Sturdy cabinets for storing kitchen essentials. Resistant to all weather conditions.

10

STAINLESS STEEL SINK WITH MIXER TAP

The kitchen has a moisture and scratch resistant kitchen sink with a beautiful tall sink faucet.

11

REFRIGERATOR / WINE COOLER

Fresh products, cool drinks always at hand – no need to go home to fetch them.

12

ELECTRIC SOCKETS

Electrical outlets that can be used with a kettle, coffee maker, or charger.

13

PLACE FOR A WATER HEATER (preparing the place)*

*additional option

*You have everything
at your fingertips.*

*You can fully devote yourself
to the things you love.*

Why bet on QGESTO?
